Sales Tax Rules and Regulations – Resale Certificates

To our clients:

In compliance with Sales and Use Tax Laws it is necessary that we have from all our clients a signed re-sale certificate, with their States Sales Tax Permit Number, to show that the merchandise has been purchased for re-sale.

The good faith of the seller will be questioned if he has knowledge of facts which give rise to a reasonable inference that the purchaser does not intend to resell the property as, for example, knowledge that a purchaser of particular merchandise is not engaged in the business of selling that kind of merchandise.

Under “Description of property to be purchased” there may appear:

- (1) Either an itemized list of the particular property to be purchased for resale, or
 - (2) A general description of the kind of property to be purchased for resale.
- Such certificate is good until revoked in writing.

Please insert your Sales Tax Permit Number with your signatures and address on the attached re-sale certificate and return it to us at once. Thank you for your cooperation.

PLEASE COMPLETE AND FAX BACK. DO NOT HESITATE TO CONTACT US SHOULD YOU HAVE ANY QUESTIONS.
